

# **Concert of organ music by JS Bach**

**by Samuel Austin,**

**Assistant Director of Music at Aldenham School,**

**on Thursday 7th June at 7pm,**

**in Aldenham School Chapel.**

**The concert showcases JS Bach's finest works,  
including the famous Toccata and Fugue in  
D minor BWV 565.**

Parking is in the Prep School car park, and access to the chapel is gained by walking up the hill and crossing the zebra crossing.

The concert will last for an hour and admission is free.

A rare opportunity to hear the fine 3-manual Grant Degens and Bradbeer organ in concert.

Originally a House organ, the instrument was transferred to Aldenham in 1975 when the original owner relocated due to noise from the flight path to Heathrow airport.
