Seasonal GCSE and GCE invigilating opportunities are available at Mill Hill County High School. A confident manner is required to direct and address large groups of students, work alone with smaller groups and cope with some administration work and write reports. The school is built on a hill so applicants must be fit and able to work extended hours when required.

Employment is strictly casual and remuneration is paid at £10 per hour on a self-employed basis on a 3hr minimum per day. The exam season is the entire months of May and June and two weeks in January with an opportunity to invigilate or cover other admin duties throughout the year.

If you are interested please contact the schools Exams Office for an application form. exams@mhchs.org.uk 020 8238 8203
