### **From Revd Chris Hingley, Overseas Ambassador for Petra Schools, Zimbabwe**

Thank you for the very generous donation of £1200 to the Petra Trust. Please will you pass on to the members of St Paul's our grateful thanks for your continuing partnership in giving hope to young people in Zimbabwe.

Nothing is more important than education for young people in Zimbabwe, but with a deepening political and economic crisis fewer and fewer young people are able to attend school. Not even the state schools provide free education, and families are struggling more and more economically. Petra aims to give a good education in a Christian environment, and your gift will help young people whose families cannot afford school fees continue to be at school.
