Sunday Groups

Next Sunday's Groups will take place during the second half of the service, not the first half as previously publicised.

Today's Organ Voluntaries

Before the service, the voluntary will be "Estampie" from the Robertsbridge Codex. This manuscript is from the 14th Century and is the earliest keyboard music known to exist.

Afterwards, the voluntary will be "Annum per Annum" by Avo Part. This a modern piece of music and uses a unique tonal language. The piece is structured with an introduction and a coda, and this abridged version contains central sections titled: Kyrie, Sanctus and Agnus Dei. The piece symbolises the Mass which "annum per annum" is celebrated day after day.

Prayer & Praise

An informal evening service in The Wilberforce Centre

After the service, take a look at the
